

Graphic Design

Course Expectation Sheet

Great Neck South High School

Projects and Goals

- Students will explore fundamentals of design and be introduced to typography, logos, packaging design, and illustration.
- Students will work both by hand and digitally (using Adobe Photoshop and Adobe Illustrator)
- Emphasis is placed on research and sketching as an integral part of the design process.
- Professional graphic designers in the field will be introduced to the students and they will be encouraged to research designers independently to aid them in informing their own projects.

Grading:

Project 70%

Sketches and Research 20%

Participation/Effort/Attendance -10%

Homework

Projects, sketches, and research not completed in class are to be done for homework

No specific homework will be assigned

Materials
